

# ELLERSLIE AFC INC – Junior/Youth Division

## PRE-SEASON SELECTION TRIALS

Trials will only be held for grades that have more players registered than there are representative team places available.

For those grades that have less players registered than there are representative team places available, all of the registered players will be invited into a "training squad". The whole squad will then participate in a number of training sessions after which time players will be divided into their respective teams.

- 10<sup>th</sup> & 11<sup>th</sup> Grade

Once the trials have been completed, a training squad of approximately 27 will be chosen.

These players will then be invited to a minimum of two training sessions, after which time the players will be selected into red, black and gold teams.

- 12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup> & 17<sup>th</sup> Grades

Once the trials have been completed, a training squad of approximately 30 players will be chosen.

These players will then be invited to a minimum of two training sessions, after which time the red & black teams will be chosen.

Those players that are not selected for the training squads will be notified at a later date as to what team they have been selected for.

If you are unhappy with your child's team selection please email the Coaching Coordinator at [coaching@ellerslie.org.nz](mailto:coaching@ellerslie.org.nz). Each complaint will be dealt with on an individual basis.
