

Tamaki League Competition Regulations 2011

10th and 11th Grades

1. General Provisions

- i. The control and management of these Tamaki League Grades shall be vested in the Tamaki League Convenor ("TLC") as considered and approved by the participating clubs.
- ii. The final decision on interpretation of any general matters and/or specific competition regulations shall rest with the TLC.
- iii. Any decision by the TLC in relation to the control and management of the Tamaki League may be appealed, by written submission to the Competitions Manager of Auckland Football Federation whose decision on appeal shall be final and binding.
- iv. Each Club desiring to compete in Tamaki League Competitions shall, on or before a date advised by the TLC, confirm in writing their acceptance of an invitation to compete in such competition in the division(s) advised.
 - a. The final composition of such divisions shall be at the discretion of the TLC.
 - b. The TLC shall have the power to accept further entries during the season if, in his opinion, it is expedient to do so.
 - c. The TLC shall have the power to increase or reduce the number of divisions and to form or discontinue sections in any division as and when the need arises.
- v. No player can play in a Tamaki League competition for any Club except that for which he/she is registered as a member.
- vi. Teams, players, officials and spectators shall at all times behave in a manner that shall not damage the image of the game. Clubs are responsible for the behaviour of their spectators, players and coaching staff, and are required to ensure their representatives abide by the FIFA Code of Conduct and uphold the spirit of Fair Play while participating in Federation Youth Competition.

2. Number of players per side

Teams shall be 7 a side, with one player designated as the Goalkeeper.

3. Duration of matches:

All Grades 2 x 25 min halves plus 5 min half time

In the event of a late start for any reason, if it is known or can be ascertained prior to kick-off that there is *no* later match scheduled for the pitch which would be disrupted by so doing, the match shall be extended to its normal duration in two equal halves. If there *is* a match scheduled to follow on the same pitch, *or if it is not known whether there is such a match to follow*, the time available shall be divided into equal halves with allowance for half time, so that the match shall end at the scheduled finish time and the next match on the same pitch may commence at the time scheduled on the fixtures. The agreed game duration shall not be changed once the game has commenced, *even if it becomes clear that there is no match following*. No injury time or referee's added time shall be played.

If both teams have a minimum of five players the match must start on time. The home team (the team named first on the fixture) is expected to be ready to start on time. In the event of the home team not being ready with a minimum of five players to begin the game at the scheduled time, or the away team not being ready with a minimum of five players 10 minutes after the scheduled start time, the team present and ready to start may claim the match as a default.

By agreement between both teams' coaches/managers, matches may be played with reduced equal numbers on each side.

4. Substitutions

Teams should ideally have 10 players, but a maximum of 11 players is allowed, **only 7 to be on the field at any one time, one must be the goalkeeper.**

Subject to agreement between the two teams, in circumstances when there are 11 players, up to four substitutes may be used. If no agreement is reached, then, up to three substitutes may be used.

Unlimited interchange of players is allowed *without* requiring the permission of the referee, provided that:

- i) the player leaves the field completely before the substitute goes on
- ii) substitutions are made during a break in play
- iii) players always enter and leave from the half-way line.

5. Match Balls

A size 4 FIFA-approved match ball shall be provided by the home team.

6. Shin guards

Shin guards must be worn at all times, and must not be exposed.

7. Goal Kicks

A restart after the ball has crossed the goal line for a goal kick may be taken from the goalkeeper's hands (kicked, thrown or rolled) OR from a place kick on the ground. Where the ball has been received by a goalkeeper in the normal course of play FIFA Laws of the Game will apply.

8. Corner Kicks

If the game is being played on a marked small pitch, or on half a senior pitch, the corner shall be taken from the corner flag.

If the game is being played between the penalty boxes, the corner shall be taken from the edge of the penalty box.

9. Referees

If there is no appointed official, the home team may provide a Club Based Referee (CBR) with current accreditation (by way of a current CBR ID card with Membership Number) to control the whole fixture. If a CBR is provided he or she shall provide his/her name and membership number to the visiting coach/manager, and is required to wear their CBR shirt. If the home team does not have a CBR, and the visiting team does, then the visiting CBR shall control the fixture. If none of the above is available, the home team shall provide a referee for the first half and the visiting team shall provide one for the second.

Alternatively, teams may agree at the start of the game that one referee shall officiate the whole game, or at the start of the second half that the referee from the first half may continue to referee to the end of the game. Once agreed the referee should not be changed during a half other than for injury or on the mutual agreement of both team coaches. In any event, the referee controlling any part of the fixture has the same rights and obligations as an appointed official.

The prime purpose of anyone refereeing in these grades is to add to the enjoyment of the players through the application of the Laws of the Game, these regulations, common sense and fair play.

10. Goals and Markings

The approved goals, and marked grounds with corner flags must be supplied by the home team and must be in place before the scheduled kick-off time. Nets are recommended for all Federation Youth Competition matches. Where half standard pitches are used there is no requirement for additional markings to be provided.

Goal size should be minimum 3.6m x 1.8m inside measurements; recommended size is 4m x 2m inside measurements.

It is recommended, but is not obligatory, that clubs indicate, by cones or other suitable markers, on the side lines and goal lines not on the field of play, a goalkeepers area approx. 20 metres wide and 10 metres deep. Referees in these grades should award penalty kicks (to be taken from 9 metres) for foul play *clearly* inside this area, and handball for goalkeepers handling the ball *clearly* outside it. Whether or not the markers are in place, and whether or not assistant referees have been provided (see Offside below) the referee is the sole judge of whether to halt play and award a free-kick or penalty.

11. Offside

10th Grade Boys: The off-side law **WILL NOT** be applied in these grades. However, coaches must discourage players from consistently standing in an off-side position — this is not in the spirit of the game.

11th Grade Boys: The off-side law **WILL** be applied in this grade. Teams are encouraged to provide their own assistant referees to advise/assist the referee. The referee is the sole judge of whether to halt play and award an indirect free-kick.

12. Uniform Clashes

Where there is a clash of colours, the away team (i.e. second-named team) in the fixture must provide a change of shirts (or provide bibs) that does not clash with the home team's registered colours. Any failure to provide such a change should be reported to the Tamaki League Convenor for follow up.

13. Defaults

Defaults must be notified in writing to the TLC no later than 12.00 noon on the Friday preceding the fixture so that the opposition team can be notified, a replacement opponent found or ground may be used for an alternate fixture. Any un-notified defaults should be reported to the TLC for follow up.

14. Team Mastercards and Player Eligibility

The primary focus of the Tamaki league is participation and enjoyment. Games are competitive but there are no league winners declared. Player eligibility has not historically been an issue and it is difficult to foresee circumstances where serious eligibility issues should arise.

Team Mastercards are therefore NOT required for Tamaki League competitions.

All players playing in the Tamaki League competition are required to be registered on the Federation player database. For 2011 Tamaki league players are required to be registered no later than 29th April.

In the unlikely event, that a concern or complaint regarding the eligibility of a player arises, it should be directed in writing to the TLC, within 72 hours of the conclusion of the relevant fixture. Any such complaint must include the name of the player whose eligibility is being questioned.

In the event of any protest or enquiry into player eligibility player details may be checked against the Federation database.

15. Dispensations

Players should normally play within their correct age grade from early ages as problems will occur in later competitions/higher age grades. Age grade is determined by the year of birth, not school year, e.g. 10th Grade is for players who will *reach* their 10th birthday at any time during the calendar year, (not those who are 10 at the *start* of it).

In Tamaki 10th and 11th Grade 7-a-side competitions a maximum of one player per squad may automatically be dispensed to play down from a higher age grade, and that player must be no more than one age grade older than the grade in which he is dispensed to play.

16. Field Sizes

In most cases for operational ease, play will be on 1/2 of a standard pitch. For specially marked fields as well as where standard pitches are used, the recommended dimensions are minimum 50m x 30m, max 65m x 45m, ideal 60 x 40m. For health and safety reasons as well as to protect goal areas from wear, it is recommended that clubs consider that the side line for 1/2 pitch should be the goal area (6 yard box) extended to the full-field side lines by means of cones. However, spectators must remain behind the original full pitch goal line.

17. Coaches and Supporters

Coaches may only coach from the sideline, not from behind the goal line. If a coach takes the field as a referee they are not allowed to coach from on the field of play.

Spectators and supporters should be along the sidelines not behind the goal line. Spectators guiding or advising a goalkeeper from behind the goal line are deemed to be coaches. Referees and opposing coaches are entitled to request that coaches, spectators and supporters move from behind the goal line to the sideline, and all coaches and Clubs should support and be prepared to adhere to this regulation.

18. Competitions

Results for all games will be recorded and (subject to the ability of the new competitions management software) league tables will be maintained in alphabetical order. Three points shall be awarded for a win, one point for a draw and no points for a loss.

There shall be NO grading round. Where practical, teams will be drawn to play as many different opposition teams as possible during the season.

19. Results

Results are to arrive at the Federation faxed on the appropriate Club form, telephoned in, or be input direct to the Federation Competitions Management website, by no later than 10.00am on the Monday after the fixture. Teams failing to input results in time may incur a fine to the Club for Late Result as noted in the Schedule of Fees published from time to time by the Federation.

20. Protests, Disputes and Appeals

- i. In recent times, there have been few, if any, major incidents or disputes in Tamaki League competitions. The participating Clubs have, and will continue to work together to resolve any minor protests, dispute or behaviour issues.
- ii. In the first instance, for minor matters, a written report detailing an incident or complaint, should be sent to the secretary of the opposition club, MARKED FOR THE ATTENTION OF THE TAMAKI LEAGUE DELEGATE, with a copy sent to the TLC.
- iii. The two clubs should then work to resolve the issue and reach agreement on any warnings, sanctions etc. as may be deemed appropriate.
- iv. Notwithstanding items i. to iii. above, any Club participating in the Tamaki League may raise a dispute or protest for consideration by the TLC.
- v. Any such dispute or protest shall be made by the Club Secretary or another authorised officer of the Club, within 72 hours of the alleged incident or breach. The protest must be in writing to the TLC, setting out the full details of the incident or protest and must be accompanied by the prescribed AFF Incident Report Form.

- vi. On receipt of the protest, the TLC will make the necessary enquiries into the matters placed before him, including any referee and/or officials from opposing teams, and will advise his decision in writing to the party or parties concerned.
- vii. Any decision of the TLC may be appealed to the AFF Competitions Manager by any of the parties involved. Such appeal must be received by the Competitions Manager in writing within 7 days of the date of the letter containing the decision. The decision of the AFF Competitions Manager on appeal shall be final and binding on all parties.

21. Other Matters

These specific competition regulations should be read in conjunction with the appropriate NZ Football Rules and Regulations, Federation Rules and Tamaki League 10th and 11th Grade General Provision playing regulations, Federation and NZ Football codes of conduct and FIFA Fair Play which shall apply to matters not provided for in these regulations
